SAAB 900TURBO COMMEMORATIVE EDITION

1993

SAAB

Equipped for the extraordinary performance of ordinary tasks.

The 1993 Saab 900 Turbo Commemorative Edition is engineered and equipped to satisfy even the most demanding requirements of enthusiastic and responsible drivers.

The enthusiasm is amply supplied by a specially-tuned, 185-horsepower turbocharged engine, special sport suspension, with limited production alloy wheels, and a leather trimmed interior featuring a custom burlled walnut instrument panel.

Designed to reflect the heritage of Saab's original revolutionary 900 Turbo, the 1993 Commemorative Edition is available from a limited production run of only 325. Each car is identified with an individually numbered medalion, certifying its origin.
